## PRE-CONVENTION AGRICULTURE FIELD DAY - TUESDAY 20 AUGUST 2019

This tour is designed to showcase the agriculture and aquaculture in Darwin and the Northern Territory. The day includes a visit to the Coastal Plains Research Farm where you will learn about the tropical fruit and horticulture research; a tour and tasting at a Melon/ Mango Farm; and a visit and sashimi tasting at a Barramundi Aquaculture Farm. You will be treated to an entertaining cruise down the Adelaide River to see up close and personal the queen Jumping Crocodiles in their natural habitat. On the way back to Darwin you will stop in at the Window on Wetlands viewing platform to take in the sights. This is one of the highest points on the Adelaide River floodplain and features a panoramic view of the beautiful and fragile wetlands of the Northern Territory's Top End. There are also interactive displays about the ecological processes that occur in the wetlands, the seasonal changes and the abundant wildlife.

I/ We are interested in attending the agriculture field day      Yes      No      \*COST TBA

## POST-CONVENTION DARWIN & NT ADVENTURE TOUR - FRIDAY 23 AUGUST 2019

Experience all that Darwin and the greater NT have to offer. Delegates will enjoy a personalised private Jumping Crocodile adventure on the Adelaide River. This exclusive tour will showcase the incredible jumping capabilities of the saltwater crocodiles and abundant birds life and flora and fauna. Visit and have lunch at the famous Humpty Doo Pub before exploring Litchfield National Park where you will have time to relax at the beautiful waterfalls and swim in the fresh natural waters of Wangi Falls. The tour also includes a brief stop at the magnificent Cathedral and Magnetic Termite Mounds. Here you'll learn about their unique role in our Tropical Eco-system. **Note: numbers are limited so please book early to secure your spot!**
